Re: Message Center Management, Inc. / New Cingular Wireless PCS, LLC
Application for Certification of Environmental Compatibility and Public Need
Greenwoods Road East/U.S. Route 44
Norfolk, Connecticut
Docket Number 320

Dear Chairman Tait and Members of the Council:

On behalf of Message Center Management, Inc. ("MCM") and New Cingular Wireless PCS, LLC ("Cingular"), we submitted the above referenced application to the Connecticut Siting Council on September 7, 2006. Pursuant to Connecticut General Statutes ("CGS") Section 16-50(b), notice of MCM and Cingular's intent to submit its application was published on two occasions in the Register Citizen as well as the Hartford Courant.

In furtherance of the above referenced application, please find enclosed the original affidavits of publication from both the Register Citizen as well as the Hartford Courant. Twenty-five copies of this documentation is also enclosed.

In addition, please also find enclosed an electronic version of the bulk filing attendant to the above referenced application. While an electronic version of the application was submitted with the original application, an electronic version of the bulk filing was not included. In

NOTICE

Notice is hereby given, pursuant to Section 16-50l(b) of the Connecticut General Statutes and Section 16-50l-1(e) of the Regulations of Connecticut State Agencies of an Application to be submitted to the Connecticut Siting Council ("Siting Council") on or about September 7, 2006 by Message Center Management, Inc. (the "Applicant"). In the Application, the Applicant will request a certificate of environmental compatibility and public need from the Siting Council for the construction, maintenance and operation of a telecommunications facility in Norfolk, Connecticut. The location of the proposed telecommunications facility is a 6,000 square foot leased area within the approximately 149-acre Town of Norfolk owned parcel ("Town Parcel") along Greenwoods Road East/Route 44 in Norfolk. The municipal transfer station also occupies a section of the Town Parcel, also commonly referred to as the "Town Farm". The proposed site is located in the north central section of the Town Parcel, where the Applicant would construct a 180-foot self-supporting monopole and install equipment at grade within a fenced equipment compound. The location, height and other features of the proposed facility are subject to review and potential change under provisions of the Connecticut General Statutes § 16-50g et. seq.

A balloon, representative of the proposed tower heights, will be flown at the site on the day of the Siting Council public hearing on the application, which will be held in the Town of Norfolk. The balloon will be flown at such time specified by the Siting Council. Notice of the public hearing date will be provided by the Siting Council.

The proposed facility would provide personal wireless communication service in portions of the Town of Norfolk, the Town of Colebrook and surrounding areas, which do not have adequate service. The Application will explain the need, purpose and benefits of the facility and will also describe the environmental impacts of the proposed facility.

Interested parties and residents of the Towns of Norfolk and Colebrook are invited to review the Application during normal business hours at any of the following offices:
